

The Oddball, The Unusual, The Fiddly, The Farty

We've uploaded our new Christmas Page

The first section is our production run for the year and a price list and order form is available. Below this production run are some ideas and inspiration for something a little different.

Here's the link if you want it. <http://www.fiddlyfarty.co.nz/special-promotions/christmas-packaging-2010/>

The page is quite large so may take a minute or so to load and we appear to have some software issues with the hyperlinks down the page. Our Webmaster is working on them, so sorry you will have to scroll down for the moment.

You are receiving this email because either yourself or someone within your organization has dealt with us in the past. The aim of these newsletters is to inform you of anything that we do that we think you may be interested in. If you do not wish to receive these emails (and we promise not to bombard you with them) please advise us accordingly and we will ensure you are removed from our list.
